

Lake Manitoba Narrows Game & Fish (LMNGF) is a nonprofit organization associated with the Manitoba Wildlife Federation (MWF).

Funds raised by the association are donated back into the local community. For example, the LMNGF financially supported the construction of the Lake Manitoba Narrows Community Dock project. LMNGF also built a Fish Cleaning Facility for the use by sport fishers.

LMNGF hold numerous fishing derbies during the year with members having the possibility of bonus prizes in our derbies.

Free subscription to the Outdoor Canada magazine (6 per year)

A membership also provides first and third-party insurance when you are participating in activities in the great outdoors (hunting, fishing etc.),

The Annual General Meeting (AGM) generally includes a meal for a nominal fee. The LMNGF absorb much of the cost for the paid members. There are generally 4 general meetings per year where members get a say on how this organization is run.

The club has a scholarship for post secondary education available annually to members in good standing (minimum of 2 years), or their children. They may apply upon Grade 12 or Grade 12 equivalent graduation. Applicants must apply to the president, including a 1000-word essay and proof of registration and acceptance at a post secondary institution for a course with a minimum duration of 6 months full time.

Membership renewals are due December 31st each year to ensure you have insurance coverage and be in good standing with the LMNGF. Only someone who has been in good standing for 2 consecutive years is eligible to run for office or receive a scholarship, so timing is important.

Membership cost is \$40.00 for a single person, \$45.00 for a family and \$5.00 if you are an associate member (Already paying full membership due to another Manitoba Game & Club.) LMNGF only retains \$5.00 of the membership fee, the balance goes to MWF to cover their costs.

Paying your membership has never been easier. You can mail a check to: P.O. Box 50, Oakview, Mb R0C 2K0 or, better yet, you can e-transfer it to the club at lmngf2023@gmail.com.
